

Fairlington Villages,
A Condominium Association

Operations Manager Monthly Report
January 17, 2021

Action Items- Grounds

1. Spring Focal Beds - Every Spring, Lancaster plants annual flowers in all of the planter beds and pots. Details can be found under **New Business D- Spring Focal Beds**

Action Items- Trash and Recycling Contract

1. Trash Contract– The current contract with Capitol Services expires March 31, 2021. Details of the contract renewal can be found under **New Business E- Trash Contract.**

Pools

New filter system project update: In November the Board approved Premiers Aquatics Winter pool work which consisted mainly of replacing the cartridge filter systems with new sand filter systems (see photo below) . Premier Aquatics has completed the installation of the new filter systems in all pools. Some minor electrical work and pump motor installation (done by our staff) remains.

Pool Season 2021 Working Group(PS2021WG): The PS2021 Working Group held its first meeting (by tele-conference) on Wednesday February 17 with 9 residents and Management present. The group had 90 minutes of discussion and provided valuable input regarding the safe opening of pools for the Summer season. Among the actions is the use of a survey to get more input from the community at large. The survey questions are being developed by the working group and will be available for discussion at the March Board meeting.

Grounds

Monthly Tree Pruning by Lancaster: The contract with Lancaster includes one day of pruning each month in addition to the annual tree pruning. The following is a list of trees that were prioritized by Management and will be pruned by Lancaster in February.

Location	Tree Pruning Work	Date	Hours
2826 S. Buchanan St.	Deadwood large Oak over parking lot	TBD	4
4812 S. 28 th Street	Remove top half of holly	TBD	1
Maintenance yard	Chip brush pile	TBD	.5
3049 Buchanan	Chip brush pile	TBD	.5

Annual Tree Pruning and Tree Removals:

The annual tree pruning is ½ complete currently with pruning in Wards IV, V, and VI remaining.

Tree Canopy Fund-Free Trees:

Management just received word that all 17 trees that were applied for have been approved for planting in Spring 2021.

Ward III Renovation Planting and Fall Plant Replacements:

Lancaster continues to work on Ward III Renovation Plantings as well as Fall Plant Replacements.

Lancaster crews continue to make weekly visits throughout the Winter to perform cleanup of late dropping leaves and Sweetgum gumballs. They are seen here along S. Columbus Street.

Retaining Walls and Trash Enclosures

American Restoration plans to start work on the (2) Board approved trash enclosures in March. Following completion of the trash enclosures (which should take about one week), they plan to move immediately to the retaining walls project.

Patrol Service

Nightly Patrol: The patrol officers from Master Security responded to resident calls and towed **(13) vehicles** during the period of 1/21 through 2/19. A recap of patrol activities including 24/7 trash monitoring photos for the period follows this report. Of the 13 tows one resident was particularly insistent that the Board consider his request for reimbursement. Details can be found under **New Business A- Towing Reimbursement-2814 S. Columbus Street**.

Parking Lot 7 Renovation Continues as Weather Allows

The parking lot renovation work that was approved by the Board at the January Board meeting started on Monday January 25. The drainage work will be completed first followed by the concrete work. Asphalt will be the final phase of the project and will be completed in February if weather cooperates.

PHOTO OF PARKING LOT PROJECT HERE

In the above photo, Edge Concrete starts the concrete portion of the Parking Lot 7 Renovation Project along 2829 S. Buchanan Street.
