Town Hall Meeting on Jan. 22 on Park Shirlington Redevelopment

Standard Communities, the developer proposing redevelopment of Park Shirlington Apartments located at 44510 31st St. South, Arlington, VA, will present its proposal to the FVACA community on Wed., Jan. 22, at 7 p.m. in our community center.

Park Shirlington is Fairlington's immediate neighbor to the east, as one travels toward the Village Center down 31st Street South. The two-phased redevelopment will result in 612 new apartments and townhomes and renovation of 105 existing homes in Park Shirlington. The property is situated in a "housing conservation district,"

which is designed to make it harder to convert multifamily buildings into single family homes. In Phase I, 189 of the newly constructed apartments will be affordable multi-family housing. Phase II will be comprised of 267 more apartments and 156 townhomes that will be a mix of middle income housing.

Assessing Your Payment Options

The Association provides various methods you can use to pay your monthly condominium assessments. Monthly assessment payments are due and payable on the first (1st) of each month. If you submit your payment after that date, it is already late! There is a grace period through the fifteenth (15th) of each month, after which date your account is subject to a late fee.

Pay by Mailing a Check

The most familiar payment method is the monthly coupon that you send with a personal check in the mail. Please be sure to include your account number on your check and provide plenty of time to reach its destination. Be aware, the metropolitan DC area has been experiencing a delay with payments destined for Norcross, GA, where the Association's Union Bank Lock Box is located. If there is any problem with your mailed payment (failure to include an account number on the check, blocked routing numbers on either the coupon or the check, or damage to the envelope during

mailing), then your payment will not be processed automatically. If a payment cannot be processed automatically, it is still mailed to Dallas, TX, where it will be manually credited to your account. This manual entry can take up to two weeks!

Pay by Direct Debit

The direct debit payment method means your monthly payment is debited from your specified account automatically each month on the fifth (5th) of the month, or if the fifth (5th) falls on a Sunday or federal holiday, then the following business day. There is no fee to use the direct debit payment program, and the amount adjusts automatically at the end of each fiscal year if there is a change to your monthly assessment.

Pay by TownSq Online

You can easily make your monthly payment online using the TownSq account interface. With this online method, you may pay your assessment via credit card or e-check. Please remember, a convenience

fee is assessed by the vendor that manages the secure internet portal to allow for a safe electronic transfer. The service fees associated with online payments are not imposed by the Association, and the Association does not share in any of the proceeds of such fees.

The convenience fee for an e-check is \$2.95. The convenience fee for credit cards varies depending on the credit card. Visa uses a sliding scale — the more you spend, the higher the fee. MasterCard charges a percentage of the transaction, regardless of the amount. These service fees are charged every time you use your credit card! The vendor absorbs the service fees in all commercial transactions.

Pay by Personal Bank Check or Transfer

You can set up one-time or regular monthly payments through your personal bank. These payments can be made either by check mailed to the address you provide, or via ACH transfer, scheduled on the date you select.

How to Protect Yourself and Your Home This Winter*

The Association has standing Winter Weather Operating Procedures for the common elements of the condominium that are implemented any time a winter weather event is predicted for the area. These procedures include clearing of sidewalks, streets, stairs, and maintaining surfaces to prevent ice.

Following are some tips for keeping safe this winter:

- Turn off the flow and drain water pipes exposed to outdoor cold to prevent freezing.
- Keep your thermostat at 60° Fahrenheit when you plan to be away to prevent indoor pipes from freezing.
- Reverse the direction of

ceiling fans to rotate clockwise and circulate warm air downward.

- Ensure your furnace has been inspected / serviced, has replaced filters, and is in proper working order.
- Make sure your smoke detectors have fresh batteries and are in working order.
- Get any winter supplies you may need, (e.g. ice scraper, snow melt, window washer fluid, snow shovels) now before the inevitable snow.
- Clean the hood, top, and trunk of your car fully after a snow event to avoid being a danger to others. Also ensure your headlights, brake

lights, and turn signals are cleared.

- Don't drive in the snow if your vehicle cannot handle it or if you are not experienced doing so. At best, you may end up stuck, while at worst, you could lose control of your vehicle.
- Be prepared for power outages. Ensure there is enough food, water, flashlights, batteries, an independent phone charger, and toiletries to make yourself comfortable.
- Finally, allow more time for everything!

Starting with Thanks

I want to begin 2020 with a sincere thanks to our Board and Committee members who volunteer their time to the Association. Because of them we have year-round social activities, beautiful grounds, and a safe environment. Thanks to our Activities Committee who managed wonderful social events in December.

Thank you to all the vendors and contractors who do excellent work all year, and were so generous contributing door prizes for our Holiday Party. Thanks also to everyone who donated to our Toys for Tots and Arlington Food Assistance Center collections.

Looking for a Chance to Thank You

Sadly, volunteer service at Fairlington has declined. Our standing committees need volunteers to ensure the activities our committees sponsor continue. Most of the activities we all enjoy during the year could not continue without the help of volunteers to lead the committees and liaise with the Board and Management. Please consider giving back to your community this year by volunteering with a committee!

Holiday Schedules for Trash, Leaves, and Trees

TRASH – There is never trash pick up on Sundays. Trash will be picked up on Tues., Dec. 31. Trash will not be picked up on Wed., Jan. 1, so please hold your trash until after 6 a.m. on Thurs., Jan. 2. **LARGE/BULK TRASH** will be picked up Thurs., Jan. 2. **RECYCLING** bins will be put out on Thurs., Jan. 2, and will be collected on Fri., Jan. 3.

LEAF REMOVAL – Do you still have leaves in your yard? If so, then you must bag those leaves and take them to the curb for large/bulk trash pick up on Thursday. Contracted leaf removal on the property has been completed. Throwing or raking leaves into the common area is not permitted at this time of year. **HOLIDAY TREE DISPOSAL** – Arlington County starts tree recycling on Tues., Jan. 2, so please hold your trees until then. Capitol Services will be hauling trees on Tuesday and Thursdays during the first two weeks in January (Thurs., Jan. 2, Tues., Jan. 7, and Thurs., Jan. 9). For your tree to be recycled, Arlington County requires the tree be clean of any decoration.

If you used a bag, then please remove the bag once you get the tree to the curb. If you live in an apartment building, then please clean up any tree needles and debris left in the stairwell and hallways, as they are difficult for the cleaning crew to remove with their vacuum.

Avoid Being Towed in the New Year

Your 2019 parking decal is no longer valid in 2020. If you are parking in a lot without a 2020 decal, then your vehicle is subject to towing without notice beginning Jan. 1, 2020. Please bring a copy of your current registration to the office to get your 2020 decal.

Seeking Connections via Email

We continue to actively solicit email addresses to improve communication. If you have not provided your email address or if you do not know if it is current, then please call us at 703-379-1440 or stop by the office. You can also receive your newsletter as an email attachment, saving the paper and mailing costs.

Activities Around the Village

Get a Fresh Start with the Book Club Jan. 23

The book club will meet on Thurs, Jan. 23, at 6:30 p.m. at the community center. We typically meet and visit for the first 30 minutes. Jan. 23 will be a 2020 planning meeting, as well as a discussion of *Evvie Drake Starts Over* by Linda Holmes. The novel has been a Read with Jenna book club pick, rating 5/5. Please join us if you would like to discuss January's book, as well as weigh in on future reads! We'll provide water and Ledo's Pizza.

You do not have to attend every discussion to participate. Find more details on our Book Club's Facebook page: <https://www.facebook.com/groups/185662778799790/events/>. If you have further questions, email bookclub@fairlingtonvillages.com.

Kick Off Viewing Party on Feb. 2

It's never too early to make plans for Game Day! On Sun., Feb. 2, join your neighbors for pizza, snacks, and beer as we broadcast the Big Game on a big screen with our LCD projector at the community center. Doors open at 6 p.m.

Hunting for April 11 Volunteers

Our Annual Egg Hunt is scheduled for Sat., April 11, from 10 a.m. to 11 a.m. The Activities Committee needs volunteers to arrive at 9 a.m. to help set up for the event and hide eggs. This family-friendly activity is a big affair and we need all hands on deck! Your assistance will be greatly appreciated. To volunteer, please email activities@fairlingtonvillages.com.

Our Adult Holiday Party "Jingle Bell Rocked!"

Fairlington Villages residents had a great time celebrating the season at our Holiday Party in the community center on Dec. 5. Neighbors

mixed and mingled while sipping wine and beer and savoring a generous food spread. Everyone's favorite part of the event is the prize drawing of dozens of awesome items donated by our generous party sponsors. Lucky neighbors won items like gift cards, gift baskets, and jumbo size poinsettias. The evening was a perfect way to celebrate the holidays in the company of friends, new and old.

Special thanks to management staff who planned this wonderful party for our community to rejoice!

PAYMENTS

continued from page 2

Pay by Hand Delivery

Fairlington Villages is one of the few Association's in Legum & Norman's portfolio of managed communities that still allows payments to be hand-delivered to the management office. If you use this delivery method, please bear in mind that we can no longer perform payment posting operations and must mail your payment on your behalf to the Union Bank Lock Box, which will delay payment. However, if received on or before the fifteenth (15th) of each month, your account may be charged a late fee, but it will be reversed. Management would like to encourage you to consider a

different payment method to ensure a timelier delivery of your assessment to the Association.

Kudos to eagle eye Adrienne Zaleski for spotting our resident camera man Guy Land at our Holiday Party.
