Pool 6 2920 S. Dinwiddie St. 703-998-8528

2022 SWIMMING POOL RULES & SAFETY REGULATIONS

Each resident is required to submit his/her valid resident Fairlington Villages ID Card to the pool lifeguard upon entering the pool area.

A "guest" is anyone not entitled to a Fairlington Villages ID Card. Guests will be permitted only into the pool enclosure with a guest pass from the Management Office. Each unit is entitled to four guest passes on a given day.

The following are general guidelines for use of the pool:

1. An adult must accompany children under 10 years of age within the pool enclosure. Parents or guardians are responsible for their children's safety and behavior. The lifeguard has many duties to perform and is not a baby-sitter.
2. If the child has not passed the swim test and cannot stand flat-footed with neck and head above the water, **the adult must be in the pool and within arm's reach of the child at all times.**
3. Any child aged 10 and older unaccompanied by an adult must pass a swim test. The test will include swimming the length or two widths of the pool (measured at the widest width) and treading water for one full minute in the deep end. The lifeguard will administer the test.
4. Family appropriate swimwear is required—no cut-offs, t-shirts, or street clothes.
5. Open wounds or serious injury shall be grounds for refusing entry to the pool enclosure.
6. Running or rough playing of any sort is prohibited.
7. Playing with a ball or aquatic toys in the pool area is allowed; object is subject to approval.
8. Wading pools are designed for children six years of age and younger. Children **must** be accompanied by a parent or guardian at all times at the wading pools.
9. Babies must be diapered and in plastic pants.
10. The area around the lifeguard table shall remain free of patrons.
11. Diving is not permitted.
12. Rafts of any type are not allowed. Pool noodles and personal flotation devices only are permitted. The lifeguard must approve any flotation device.
13. Glass is not allowed in the general pool area.
14. **ALCOHOL IS PROHIBITED AT ALL POOLS.**
15. Patrons may use electronic devices if they are played through personal earphones.
16. No pets are permitted in the pool area.
17. No bicycles, roller blades, or roller skating are allowed in the pool area.
18. **SMOKING IS PROHIBITED AT ALL POOLS.**
19. The lifeguard and/or lifeguard supervisor may expel any resident or guest from the pool area for infraction of the rules or disorderly conduct.
20. Pool hours are posted at each pool. The lifeguard is required to clear the pool enclosure and lock the gates promptly at the posted closing time.

The Association wishes to advise owners/residents of the following guidelines for the lifeguards. These rules have been instituted to enhance the safety of the patrons in the pool area:

1. While swimmers are in the pool, the lifeguard should be properly attired in lifeguard uniform with rescue tube and supplies in the lifeguard kit within reach.
2. Lifeguards are required by law to clear the pool when they leave the pool area. Every hour the lifeguard must clear the pool for 15 minutes for required breaks, inspections of bathhouse and pump room, maintenance of equipment, and to update logs as necessary. A break schedule is posted at each pool.
3. Lifeguards are required by law to clear the pool enclosure due to inclement weather involving thunder or lightning. The pool cannot reopen for a minimum of 30 minutes following the last audible or visual sign of thunder or lightning.
4. Lifeguards may change position around the pool but must always position him/herself around the pool so the entire bottom of the pool can be viewed.
5. Lifeguards are allowed to have personal radios at the pool at a **low** volume only.
6. Each lifeguard has a whistle to alert swimmers of break times and to enforce pool rules (e.g., no running, no diving, non-swimmers must be within arm's reach of an adult).
7. Cell phones, computers/tablets, or other communication devices are NOT permitted at the lifeguard table.
8. Lifeguards are not permitted to leave the pool premises during their shifts and must stay within the pool enclosure during breaks.
